

Beyond sustainable development: integral ecology

The Center for International Solidarity and the Center for the Social Doctrine of the Church of Università Cattolica del Sacro Cuore, in collaboration with the Pontifical Council for Justice and Peace are glad to invite you to the International Seminar "Beyond sustainable development: integral ecology".

On the eve of the UN Summit to adopt the Post-2015 Development Agenda, and after the release of the Encyclical Letter *Laudato si'* of Pope Francis on Care for our Common Home, the Seminar intends to reflect about the need for an integral ecology, also building upon recent publications by the Pontifical Council for Justice and Peace: "Energy, Justice and Peace, a reflection on energy in the current context of development and environmental protection" (2014) and "Terra e Cibo" (2015).
